**Important math placement notes:**

- Speak with an advisor to determine Math Pathway and the required courses for your major.
- View [math multiple measure course eligibility](#) **BEFORE** taking math placement test to determine if math placement test is needed.
- Multiple measures are **NOT** in place for MATH 119 and MATH 121 courses. Math placement testing **IS** required to determine eligibility for those courses.
- Dual enrollment high school students are **NOT** eligible to register for “0-level” courses.
