

Reach YOUR career goals at HACC!

When you have a career vision, you are more likely to complete your college education and succeed in your career!

Supportively
YOURS.

Please use this guide to get started with Career Coach – a free online tool that helps you explore careers and “begin with the end in mind.”

To get started with Career Coach, please:

1. Visit hacc.emsicc.com
2. Take the career assessment or browse for a specific career or program
3. Explore broad career pathways that match your strengths and interests
4. Compare careers within a pathway – skills, wages, job growth, required education and more
5. Explore HACC programs that will train you for your chosen career
6. Save your assessment results by creating a profile in Career Coach
