In 2019, HACC installed 40 modern benches throughout the Harrisburg Campus. These benches enhance the aesthetic of the campus and provide attractive seating for students, employees and visitors to relax and enjoy the beautiful grounds.

If HACC has impacted YOUR life, we would love for you to leave your mark and personalized tribute by naming a bench on HACC's Harrisburg Campus.

The benches have been installed at different locations throughout the campus, which spans more than 200 acres, features seven distinct gardens and boasts more than 900 trees.

Since 1964, HACC's Harrisburg Campus has been an important part of the community.

A registered arboretum, the campus is frequently visited by members of the community for leisurely strolls and special events. Don't miss out on this exciting opportunity!

Please consider naming one of these benches as a beautiful and unique opportunity to:

- Celebrate an academic milestone
- Honor a loved one
- Showcase YOUR organization
- Show your HACC pride
- Support YOUR favorite community college

**Price: \$2,500 each**
