

How to Identify Accelerated Courses from the Course Schedule

1. Go to HACC's homepage: www.hacc.edu;
2. Select Class Schedules (circled in red);

The screenshot shows the HACC homepage. The navigation menu includes: Programs, Admissions, Pay for School, Student Support, Campus Life, and a search icon. The main banner features a group of students and the text "HACC PROGRAMS AND COURSES". Below the banner, there is a "Program & Courses" section with a "Select Language" dropdown, "Powered by Google Translate", and a "Printer-Friendly Version" link. The "Find YOUR Perfect Match" section prompts the user to "Select one or more options below to find the right program for you." and "Select a Program Type:" with buttons for All, Associate in Applied Science, Associate in Arts, Associate in Fine Arts, Associate in Science, Certificate, Diploma, and Non-Credit. A chat bubble on the right says "Choosing a career can be stressful. With 100+ programs, HACC, yeah, we've got you covered! Chat with us." The "Class Schedules" link in the left sidebar is circled in red.

3. Click on "Search for classes!"

This screenshot is similar to the previous one but shows the "Search Class Schedules" page. The "Search for classes!" link in the left sidebar is circled in red. The main content area includes a "Search for classes!" link with a "opens in new window" note, a paragraph about course formats, and an "On Campus" section with a link to a video about on-campus learning. The chat bubble is also present.

4. Select a Term and the hit "continue."

The screenshot shows a "Select a Term" dropdown menu. The selected term is "Spring 2025 (View Only)". Below the dropdown is a yellow "Continue" button.
