

CT Course Application Process

Students must be registered or registry eligible in one of the following ARRT primary certifications: Radiography, Radiation Therapy, or Nuclear Medicine Technology in order to be eligible to register for the CT courses.

Students must have recent clinical experience by either being employed in a clinical setting as a Radiographer, Radiation Therapist, or Nuclear Medicine Technologist or having been in the clinical portion of a program of the same within the last 6 months.

College Application

- If you were never a HACC student OR if you were a HACC student 5 or more years ago OR if you are a HACC graduate you need to complete an online application to the College (www.hacc.edu – click on APPLY) and Select major: Pre-Health Professions-concentration Rad Tech. There is no application fee.
- If you were a HACC student less than 5 years ago, contact [Tami](#) at 717-358-2837 for a Change of Major.
- You do NOT need to submit high school or prior college transcripts and you do NOT need to take Placement tests.

CT Specialty Course Application

Contact Elizabeth Sasser - ejsasser@hacc.edu - 717-358-2870 - to discuss clinical options and learn more about the program

Complete the CT course application here: <https://forms.office.com/r/NpkcGC2GFX>

We will verify that you are qualified to take the courses and notify you when overrides have been processed so you can register for the courses.

Register for courses and other useful information – log on to my.hacc.edu

If you have any questions about this process and what you should do, contact Tami Burkholder, 717-358-2837 TLBURKHO@HACC.EDU.
