

Find YOUR Program at HACC!

With over 100 programs, five campuses and virtual learning, we have something for you. Specific information about each program is available at hacc.edu/Programs.

Definitions:

Associate in Applied Science (AAS) – These degrees are designed as career programs.

Associate in Arts (AA) – These degrees are designed as transfer programs.

Associate in Fine Arts (AFA) – These degrees are designed as career programs.

Associate in Science (AS) – Some are designed as transfer programs and others are career programs.

Career program – For students who want to begin their career after graduation, this type of program provides concentrated, in-depth study in a specific field. These are a minimum of 60 credits.

Certificate of Proficiency – For students who have a defined career goal, this type of program is designed to be completed in two semesters of full-time study. Students must complete at least 30 credits in their program to earn a certificate.

Diploma – For students who need to acquire a technical skill as quickly as possible, this type of program includes a minimum of 16 credits and is designed to be completed in one semester of full-time study.

Noncredit – Students are awarded a certificate of completion. Students must have attended at least 80% of the hours of the class or program.

Transfer program – These programs are designed for students who want to complete their first two years of education at HACC and plan to transfer those credits to earn their bachelor's degree.

X - This program can be completed entirely on a HACC campus via in person instruction.

CI - This program can be completed on a HACC campus through a combination of in-person, hybrid and remote instruction.

A - This program can be completed entirely through asynchronous instruction.

CA - This program can be completed through a combination of asynchronous and in-person instruction.

S - This program can be completed through synchronous instruction via Zoom.
